Drill Teams,

There will be a 1st Place trophy awarded to one of the participating Drill Teams. You will be judged at the Grandstand (30th & Willit). Each Team will be given **TWO minutes** to perform for the judges. Due to the excessive congestion with some entries, we ask that participant's families and friends follow the groups instead of walking along side of the group.

The Historic Florence Days Committee understands and appreciates how much effort the Drill Teams put into being in the parade each year. One thing we have to ask is that you **DO NOT STOP** the parade except for the two minutes at the grandstand. We have decided to mark scores down for teams that stop to perform along the parade route prior to judging. Please keep 15 – 20 feet between units.

Judging as follows: 1 through 5

Precision Syncopation Rhythm Sound Resonance Appearance

Animation Gap (ahead of the Drill team)

Thank you so much for your participation.
